

COLUMBIA WINNER IN SHELL RACING

Pennsylvania Was Second in the Race and Cornell Took the Third Place

(By Associated Press) Regatta Course, Highland, N. Y. June 26.—Columbia won the four mile varsity eight oared race, the feature event of the annual intercollegiate regatta here late today after a thrilling race, by one length. Pennsylvania was second; Cornell third; Syracuse fourth; Washington fifth and Wisconsin last.

The start was made at 5:35 under perfect weather and water conditions. The slight wind had died away, the river was barely rippled. The tide had turned and was running down the course stronger as the minutes passed. The first start was spoiled by a Cornell oarsman jumping his slide and the crews were recalled. It was 6:57 when they finally got away with Pennsylvania setting the pace. At the mile, Cornell was a quarter of a length behind Pennsylvania with the other crew lapped. Wisconsin was fading fast.

At the two mile mark, Pennsylvania, Cornell and Columbia were still lapped and the Quakers had but a slight lead. Washington was coming up alongside Syracuse. In the last mile Cornell began to fade and the race lay between Columbia and Pennsylvania. Syracuse and Washington were fighting for the fourth place. Wisconsin was now hopelessly out of it.

Official time: Columbia 19:27 4-5; Pennsylvania 19:41; Cornell 19:41 1-5.

Columbia's victory was the result of a desperate and sustained spurt in the half mile. The Cornell crew was exhausted in trying to keep pace with the visitors and faltered and slipped back into third place at the finish. Better fortune attended the efforts of the Cornell Junior, varsity and freshmen eights, each winning its race in impressive fashion.

benefiting. I repeat by using him as the medium of their lucrative and un-sanctioned exploitations.

"Undoubtedly with this great and prudent resolution of General Villa and with the riddance of several bad elements that surround General Carranza, the so much discussed rupture will convert itself into a perfect understanding and unification of the Constitutional cause, which we soon will see crowned with complete success."

force to do so. General Villa, they point out, is willing to listen to reason. General Carranza, they say, might be induced to accept this point of view.

The only message that came from General Carranza to the agency here today brought the information that the constitutionalist generals again had assumed the first chief of their support and co-operation. Mr. Breceda tonight sent several messages asking for definite instructions regarding the proposal of informal mediation negotiations. In answer, it was said, might not be received before Monday.

Well, Read

SOPHISTRY wasn't wiped off the map of reasonings over 2,000 years ago although it certainly deserved to be.

The Sophists in ancient Greece, you remember, taught a false philosophy of life and things, their premises being based on fallacy. They tried to make two plus two equal three.

The Sophists are not all dead. A few thrive today. They argue of newspaper advertising:

"Oh, I never buy anything advertised or patronize merchants who make a splash in the newspapers. Their articles are either inferior or more costly because they have to include the cost of advertising."

As a matter of fact, advertising enables you to buy BETTER things at CHEAPER prices.

Through advertising the sales are INCREASED ten, twenty, fifty fold. The manufacturer or merchant is thus able to sell BETTER and CHEAPER goods and still pay for his advertising.

This recognized BUSINESS FACT is backed up by the experience of successful business men of this community and by wise home providers who closely watch the ads in this paper.

Scene When London Police Made Raid on Suffragettes

Photo copyright, 1914, by American Press Association.

WARFARE against the government by the suffragettes continues unabated in England, and numerous arrests have been made during the last few days. Destruction of valuable property is going along regularly despite the vigilance of the police. The illustration shows the scene near the houses of parliament when officers arrested Mrs. Pankhurst again, together with several of her companions. One of them seized the bars of an iron fence, as shown in the photo, in her violent attempt to prevent the police from locking her up in a station house.

DEAD ON STREETS

The City of Zacatecas Filled With Corpses.

Zacatecas, June 25.—(Delayed over military wires)—There was little life last night in Zacatecas. Everywhere dead men and horses had been piled in the gutters to allow traffic on the streets and sidewalks. Today the burying of the dead began. The bodies of the horses were burned.

During the night civilians who had remained indoors throughout the four days of attack ventured forth on the streets, dodging sentries. Hundreds of wires swung in tangles from telegraph poles, tripping pedestrians and horses.

Zacatecas is the center of a rich silver mining district which has been operated for 300 years.

Negro Cry Is Decried by Pollock

statement that politics had entered certain state institutions not to the benefit of the institutions, but to further the Governor's political ambitions.

He said that he would bring the asylum investigation into the campaign and would read a book that would cause the 'blood of every man and woman of South Carolina to gush from the veins.'

This speaker said that "a notorious blind tiger of Orangeburg Max Stokes, by name, was convicted for violation of the dispensary law, and fined \$250. He was again indicted on a similar charge. He fled from the State and in his absence he was tried, found guilty, and a sealed verdict held against him." Later he returned, took an appeal to a higher court and while was pending, the governor pardoned Stokes. "This same man," continued Mr. Jennings "used his automobile two years ago to haul voters to the polls."

Disgusted at Cry. Pollock was next introduced and said that he was disgusted at hearing the Governor cry "nigger, nigger, nigger, that's all he's got and he's turned a whole lot of them out." In the course of his speech some was asked "what's your text?"

"Look in the 17th chapter of First Samuel, read the whole of it. It gives the story of the struggle between David and Goliath. Mr. Pollock answered: "Blessed with his great big sawed machine, is a Goliath, but what David did for Goliath I hope by the Grace of God to do for Bleese on the 28th of August. Now that's my text and I hope it will soak in."

This was cheered to the echo by the crowd. Some one in the crowd suggested that Bleese be sent to the United States senate to get rid of him. Mr. Jennings said Mr. Jennings "that is the event war with Mexico is declared that the governor be sent at the head with the troops, as he claims that he wants to do. Send the troops far into the Mexican territory. Let the troops drop back without the governor's knowledge, leaving the governor for the Mexicans to eat. But the governor doesn't want to go to Mexico. He is only bluffing, as he's been doing the last four years."

NO CLAFFIN FACTS

Weeks Will Elapse Before Case Is Fully Developed.

New York, June 26.—It may be several weeks before the exact financial status of the H. B. Claffin Company and similar mercantile establishments that failed with it, can be established, according to one of the receivers of the Claffin Company tonight.

"We have to get an inventory of the stock of the H. B. Claffin Company and then ascertain the amounts of bills receivable," said Joseph M. Martindale, who was named one of the receivers. "After getting the facts relative to the company it will be necessary to ascertain the amount of stock and the financial condition of the outside stores. As these stores are widely scattered, it will require some weeks to get the information."

It is believed, he continued, "that it will be possible to get a condensed statement regarding the affairs of the H. B. Claffin Company, much sooner, but even this task will require many days of work."

SOUTHERN STATES SLOW

Carollinas Among States Offering Few Bankers Names.

Washington, June 26.—Members of the Federal reserve organization committee today expressed surprise at the comparatively small number of nominations submitted for directors of the reserve banks. The entire number was only 768, with more than 7,000 banks voting.

District No. 5, composed of the District of Columbia, Maryland, Virginia, North Carolina, South Carolina and part of West Virginia, nominated only thirty candidates, the smallest of any of the districts. There are 475 national banks in this district, which accepted provisions of the reserve act.

SEVERE PUNISHMENT

Of Mrs. Chappell, of Five Year Standing, Relieved by Cardui.

Mt. Airy, N. C.—Mrs. Sarah M. Chappell of this town, says: "I suffered for five years with womanly troubles, also stomach troubles, and my punishment was more than any one could tell. I tried most every kind of medicine, but none did me any good. I read one day about Cardui, the woman's tonic, and I decided to try it. I had not taken but about six bottles until I was almost cured. It did me more good than all the other medicines I had tried, put together."

My friends began asking me why I looked so well, and I told them about Cardui. Several are now taking it. Do you, lady reader, suffer from any of the ailments due to womanly trouble, such as headache, backache, sideache, sleeplessness, and that everlasting tired feeling? If so, let us urge you to give Cardui a trial. We feel confident it will help you, just as it has a million other women in the past half century.

Begin taking Cardui today. You won't regret it. All druggists. Write to Chattanooga Medicine Co., Ladies' Remedy Dept., Chattanooga, Tenn., for Special Literature on your case and \$4.00 box. Home Treatment for Women, in plain wrapper, N. O. 124

CATHOLICS PROTESTING

Dignitaries of Mexico Complain of the Rebel Attitude.

Mexico City, June 26.—The Most Rev. Francisco Plancarte Navarrete, archbishop of Linares, and the Most Rev. Francisco Orozco Jimenez, archbishop of Guadalajara, accompanied by the French charge d'affaires, called at the Brazilian legation here today and conferred with Minister Cardoso de Oliveira regarding what they termed the hostile attitude of the constitutionalists toward the Catholic church. Many instances were cited by the prelates in confirmation of the charges.

The arch diocese of Linares, which includes the city of Monterey, is reported to be suffering greatly as a result of the expulsion of priests and the closing of the Catholic churches.

The Brazilian minister will send the statements of the archbishops to the State department at Washington, which is expected to exercise its influence in preventing a continuation of the constitutionalists' alleged anti-religious crusade.

JURIES BRIBED

Arrests of Court Attaches In Chicago on This Charge.

Chicago, June 26.—Operations of jury bribers and jury fixers in the criminal courts, disclosed by a complaint of John E. Cummings, a business man recently indicted charged with drugging his stenographer, resulted today in the indictment of six alleged conspirators. One of the men indicted is an attorney and one a deputy court clerk.

Those indicted are Herman Schmitz, deputy clerk of the criminal court; Lewis E. Dickinson, attorney; Robert E. Malone, Frank McMahon, John Shannon and John McCarthy. Malone and Schmitz are charged with conspiracy to bribe a jury. Malone and the other four were indicted on charges of conspiracy to obstruct justice.

Cummings' complaint that the men had offered to guarantee his acquittal on the charge under which he is indicted provided he would supply sufficient funds was augmented today by complaints from numerous lawyers, who cited cases they lost recently in spite of what they termed overwhelming evidence in their favor.

The court minute books kept by Schmitz have been seized by McClay Hoyne, State's attorney, who will question jurymen who have served on important cases recently.
